I was in a stall at my pool's bathroom when the guy next to me starts asking questions.

"Hey," he said

"Hey," I replied.

"How are you?" He said.

"Not bad," I replied.

It was at that moment he said, "I gotta go, some weirdo is responding to all my questions"

Yeah...

Chapter 6 by maya collins

I was at my new school in the playground when some kid waved at me. I waved back then the kid ran straight past me and hi fived another kid. I was so embarrassed

Chapter 7 by GasperJasper

It just happened yesterday. After months of trying to talk to my ultimate crush, then she yells at me saying, "I DON'T LIKE YOU!!!". I was in class, and there were like 60 people in it (shocking, right?). Then I pretended to be unconscious on the floor because I was raging mad. Then I got in trouble. That is not a good combination with 60 people in your class.

Chapter 8 by Alexandra Clark

Ok so when I was in gymnastics, I had to do all of these meets. Well in one meet i decided i was going to shout across the floor to my mom(I was only 5)and I got yelled at by the coach. She screamed at me as loud as she could and it was so embarrassing.
